

NAIS Member Reports in DASL

As an NAIS member, you and your school can run custom reports as many times as you would like throughout the year. You can include any of your school's comparison groups that you would like to use.

To pull the **Professional Development and Benefits** or **NAIS Administrator Salary Comparisons** reports in DASL, log in and take the following steps:

1 In the top navigation bar, float over **REPORTS** and click on "Tables (Custom Reports)"

2 For Association, select "NAIS"

For Category, select "General"

For Template, select "Professional Development and Benefits" or "NAIS Administrator Salary Comparisons"

Tables

Association → National Association of Independent Schools (NAIS) ↓

Category → General ↓

Template → Professional Development and Benefits ↓

Table Parameters

Select Year(s) 2018-19 ↓

My School Search for School (at least 3 characters)

Select Comparison Group(s) Select Comparison Group ↓

[View Table](#) [Export to Excel](#) [Export to PDF](#)

3 The system will automatically input your school information. You can select years and comparison groups

Click "View Table"

For a copy of the report, use the appropriate green button to export an Excel or PDF version
