NAIS Member Reports in DASL

As an NAIS member, you and your school can run custom reports as many times as you would like throughout the year. You can include any of your school's comparison groups that you would like to use.

To pull the Student and Employee Diversity report in DASL, log in and take the following steps:

1 In the top navigation bar, float over REPORTS and click on "Tables (Custom Reports)"

2 For Association, select "NAIS"

For Category, select "General"

For Template, select "Student and Employee Diversity"

3 The system will automatically input your school information and choose one comparison group.

Click "View Table"

For a copy of the report, use the appropriate green button to export an Excel or PDF version
